#### Ring Mass marks "Rite of Passage"

The Class of 1995 officially began their Senior year on September 7, 1994 with the traditional Ring Mass.

This ceremony marks their symbolic passage from the childhood of being underclassmen to the first stages of maturity as upperclassmen.

The Mass was celebrated by Father J.P. Grenham at Our Lady of the Gulf Church. Brooks Quinlan, Student Body President, gave the welcoming address, with Jeep Mestayer, Student Body Vice-President, and Eugene Schmitt, Senior Class Representative, doing the readings.

Other Senior Class Representatives Sonny Schindler, David Matheson, and David Lee offered the petitions and presented the offertory gifts.

Opposite page, top center, Ashley Cox leads the procession; top right, Father J.P. Grenham blesses the rings; center, Ashley DeLaune, Beau Bosworth, Michael Deris, James Bottoms, and Jean Dubuisson show off their rings; below, pandemonium reigns at the reception. This page, top left, Jean Dubuisson, Jason Battle, John Nguyen, Michael Bolian and Tim Kayes at the reception; top right, Dr. Ryan addresses the Seniors; center left, Ashley Cox gets his ring; right, David Matheson presents the gifts; above, Sonny Schindler offers the petitions.

#### Retreat brings growth and sharing

On their Senior Retreat, the Class of 1995 began their journey together as a class by growing closer to each other and to God, and by sharing with each other their joys and pains and their hopes and dreams.

On these pages we remember when we "broke the ice" with the Clock Activity, received our crosses and gave them to our prayer partners, shared our feelings with the members of our groups, and even had time for a little volleyball.

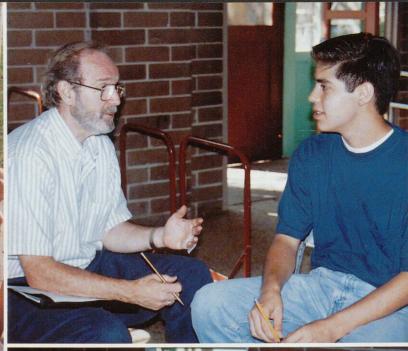

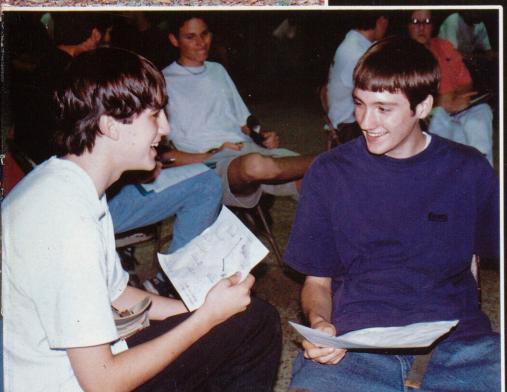

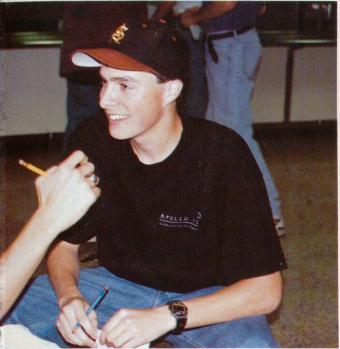

Opposite page, top, Brother Adrian, campus minister, sets the tone for the retreat; center left, Dr. Ryan gives Harvey Timberlake his cross; right, Father Calamari blesses the cross while everyone, including Richard Dinon and Ashley DeLaune, extend hands; lower left, Mrs. Cromwell and Craig Lorio; right, Mrs. Lee and Jean Dubuisson.

### Big Brother / Little Brother Ceremony

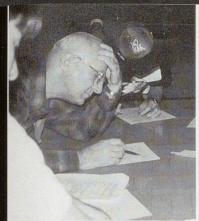

Each year, the Seniors "adopt" the sixth and seventh graders as their "Little Brothers" for the year. This year, top left, Brooks Quinlan, Student Council President, spoke on behalf of the Big Brothers, while, lower left, seventh grader Ken Harshbarger represented the Little Brothers. Top right, Brandon Benoit stands with his Little Brothers, and lower right, Quinlan passes on the symbolic flame.

Students Against Driving Drunk is dedicated to promoting responsibility among young adults especially when they get behind the wheel of a car. This year, membership in S.A.D.D was limited to students in grades 9-12. A new organization, S.H.A.R.K., was created for younger students.

Activities of the group included handing out red ribbons at the SSC-Bay High football game to remind students and parents not to drink and drive.

On the Thursday before Prom, S.A.D.D. sponsored a presentation by an attorney and policeman to educate students on the legal consequences of drinking and driving.

Also, the group participated in several non-alcoholic activities with other area S.A.D.D. chapters.

The 1994-95 school year was the first for the existence of S.H.A.R.K. (Students Handling Alcohol/drugs Responsibilities on Kampus).

Only sixth, seventh and eighth graders can be members.

The club was started for the sole purpose of educating young students about the dangers of drugs and alcohol, so they will be able to make "smart" choices during their high school years.

Students choose each topic for every meeting. They talk about everything from how peer pressure plays a part in drug use to the physical effects of drugs on the body.

The members of S.H.A.R.K. participated in a fund raiser with the S.A.D.D. chapter and were able to raise enough money to buy T-shirts for all the members.

### Student Council

The Student Council is composed of elected officers and homeroom presidents who represent the entire student body.

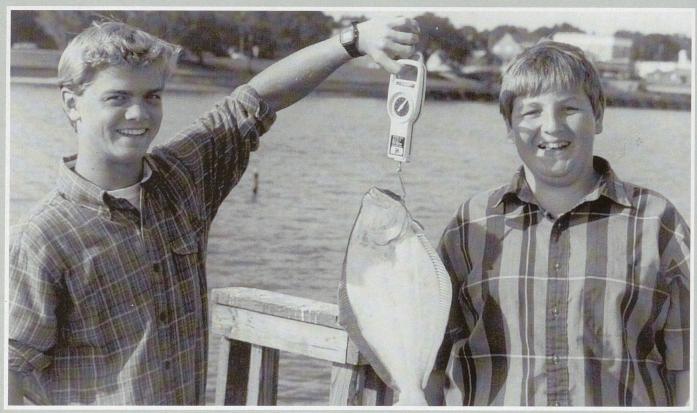

In addition, the Student Council sponsors projects during the year to help promote school spirit and provide for the needs of the less fortunate.

Among the philanthropic activities are the Lenten Giving Fund and the Thanksgiving Food Baskets.

One of the biggest spirit activities is the annual Brother Aubert Fishing Rodeo, pictured here.

The officers fo the 1994-95 Student Council were Brooks Quinlan, president; Jeep Mestayer, 1st vice president; Jeremy Compretta, 2nd vice president; Wes Pugh, secretary; and Kippy Chamberlain.

### Key Club

The St. Stanislaus Key Club is a high school service organization. Our club is sponsored by the Gulfport Kiwanis Club.

Our projects include beach cleanups, prayer services and bingo at Miramar Nursing Home, dances for the South Mississippi Regional Center, tutoring Dorm A students three nights a week, the annual Right-To-Life Rally, and assisting at various school and community activities.

Officers for 1994-95 were Ashley Cox, president; Jody Montelaro, vice president; Scott Esher, recording secretary; David Manasco, treasurer; and Sean Ziegeler, corresponding secretary.

For the 1995-96 school year, Scott Esher has been elected Lt. Governor for Division 14 of LAMISSTEN District.

### Campus Ministry Program

Student Ministry is a year-long experience offered as part of the St. Stanis-laus overall Campus Ministry program. It is designed to build Christian leadership skills in its members and to enhance their personal and spiritual awareness. Through training and development, student ministers are enabled to meet their own needs at the same time that they render service to others.

Student ministers work primarily with the 8th grade students helping them to adjust to school life at SSC.

They also work in school-wide programs such as retreats, liturgies and prayer services.

In addition, the ministers are involved in community outreach in areas that include retreats and prayer experiences.

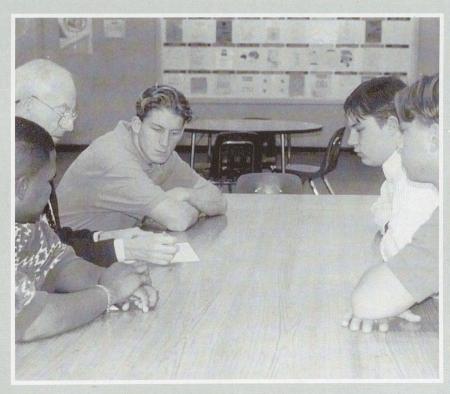

Participation in the program is by seniors who have a desire to grow and to help others grow. They must attend regular training sessions and an overnight leadership workshop.

Student ministry enhances the personal, emotional, and spiritual awareness of its members; provides training in the use of helping skills; fosters development of positive interpersonal relationships between young persons and adults; and of-

fers opportunities for support and faith sharing.

#### Band

#### by Matt Holder

The 1994-95 St. Stanislaus High School Band began this year with 47 returning members and 27 new ones under the direction of Mrs. Catchie Choina and Ms. Jackie Davidson. This is Mrs. Choina's eighth year at SSC and Ms. Davidson's second. Mrs. Choina and Ms. Davidson have taught 17 and 33 years, respectively.

This year Mrs. Choina succeeded Ms. Davidson as president of the Mississippi Woman Band Director's Association, and Ms. Davidson received the first annual Outstanding Jr. High Band Director's Award.

As always, student leadership was an important part of our band program. Matt Holder was drum major for his second year and was joined by assistant drum major Leora Madden. Melinda Wiggins served as color guard captain for her third year, and Glenn Pearce became percussion captain.

At the Noeth Shore Magnolia Marching Festival in Slidell, Louisiana, the band earned the rating of "Superior" in the categories of overall band, drum majors, and color guard. Superior ratings were awarded to the drum majors and percussion at the Misispp uhetMarhn Festival in Tylertown, Ms. In addition, the drum majors were given the distinction of

"Best in Class" at this contest.

In April, the band traveled to Orlando, Florida where they received first place in marching and percussion competitions and second in concert with a rating of Outstanding in all three categories. They were also given the honor of performing at EPCOT Center.

The band had many non-competitive performances such as the band camp sneak preview; eight football games; Our Lady Academy's International Food Fest; SSC's Academic Competition for Excellence; Veteran's Day Parade (Trumpet players Tim Kayes and Chuck Johnson performed "Taps"); Annual Christmas Concert; Krewe of Eve in Mandeville, LA; Krewe of Dionysus in Slidell; Krewe of Sinbad in Metairie; St. Patrick's Day Parade; Special Olympics; and Annual Spring Concert.

Ty McMichael was elected president, Matt Dillenkoffer vice president, and Patrick Cousins secretary/treasurer.

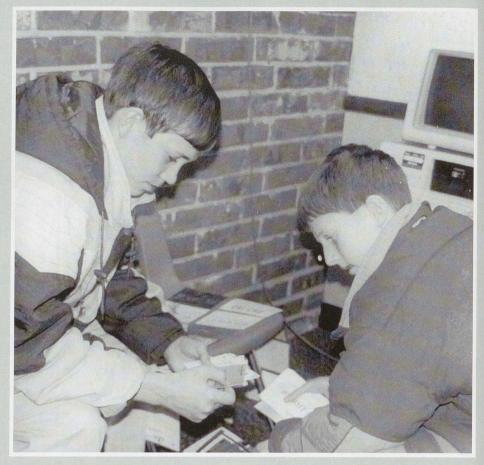

Several members have followed the lead of the club station and upgraded their home stations to operate computerized VHS packet. The club station now includes two linked packet nodes — one on 2 meters and the other on 220 MHz. There are now 22 students with amateur radio licenses.

Members attended hamfests in various cities from Mobile to Jackson to Lafayette. Club moderator Brother Eduardo traveled at the end of April to Dayton, Ohio, for the world's largest hamfest.

The club participated again this year in the School Club Roundup, a week-long, on-the-air contest. Last year the SSC Radio Club placed second among high schools nationally and placed the previous two years.

#### Bookends

Bookends is a new organization on the St. Stanislaus campus, and membership is open to all students in the Junior High.

The group has no officers, and current membership consists of Way Barrier, Jorge Cesar, Mauricio de la Garza, Jose Diaz, David Garza, Seth Healy, Claudio Iombo, Adrian Koby, Gus Kump, Fausto Perez, and Francisco Rubin de Celis. Brother Adrian Gaudin, S.C., is the club moderator.

"You're finished with a book when it ends" . . . "You don't know what something is until it ends" . . . and "Brother reads the books while we sit on our ends!"

Offensively, Brad Cannon broke the school record of 54 goals in a high school career by nine. And defensively, Brooks Quinlan and Matt Tusa tied the school record with nine shutouts.

## **Cross Country**

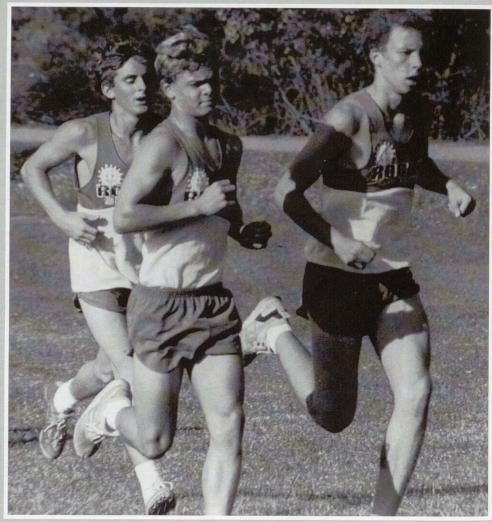

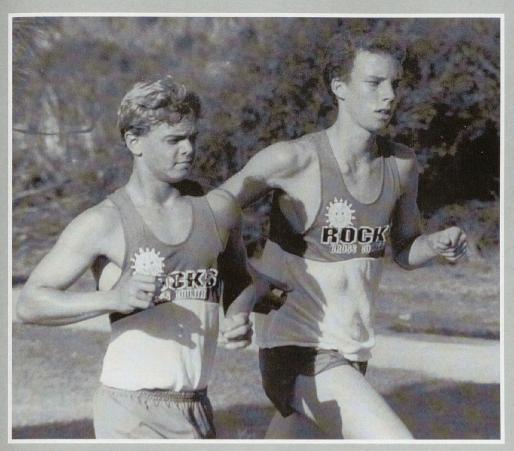

Cross Country is a sport where runners compete in 3.1 mile distance racing. Every course is different, and competition is usually held in grassy or wooded areas. Trails wil wonderful scenery make this an enjoyable sport.

For the past several years, SSC teams have been very successful in Cross Country. In 1991, under the direction of Coach Eddie Burgo in his first season at SSC, the team won the State Championship, took third in 1992, and was State Runner-up in 1993 and this year. During all four years, the Rocks captured the District title. And in 1991 and 1994, Coach Burgo was named the Cross Country "Coach of the Year."

#### **Tennis**

The SSC Varsity tennis team had a mediocre regular season during which a very young and inexperienced team showed perserverance and steady improvement.

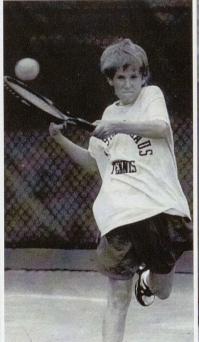

The team capped its season with a district championship in Boys' Doubles and a runner-up finish in Boys' Singles.

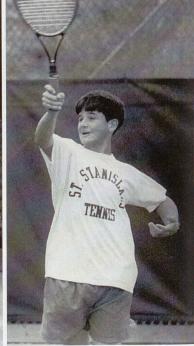

In addition, 7th grader Phil Marino and 8th grader Scott Wallace played inspired tennis in winning three rounds and actually making it to the finals of the MHAA State Tournament!

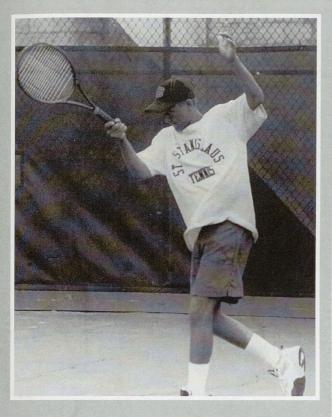

Ninth grader J.J. Bailey shored up his singles game and won two rounds in the State Tournament, finishing as a semi-finalist.

In a supporting role, Jody Montelaro, Jumaane Peterson, Soloman Abedrop and Graham Van Voorhis also shared duty at the Mixed Doubles position.

According to Coach Myron Labat, "Our group played hard all year, but they definitely saved their best for post-season play. And with our top three guys returning, next year's team could possibly produce even better results than the '95 Rocks."

In District play, the team was paced by Sophomore Chris Allen with a 72, Freshman Andy Jacobson with a 76, and Senior Ashley Cox and Junior Bart Vanderhoven, each with 77.

Eighth grader Chris Genin shot an 82. It was perhaps the best scoring performance by an SSC golf team in recent years.

Over the year, the Rocks participated in six golf tournaments around the Gulf Coast and Mobile. The team had four first-place finishes, one second place, and a fourth place in Mobile.

This year also marked the thirdstraight State Tournament appearance for the Rocks. In 1993, the Rocks were 16th, in 1994, ninth, and in 1995, second.

Dorm life, the words that some of us here at school don't really like.

When we think of these words, we think of boredom, discipline, and a sense of no freedom of choice. However, that is not what we received in Mr. Gex's dorm.

(Patricio) I think that discipline is good, for it helps us build character in our lives.

(Siggy) I feel that discipline should be used. For the good students, we should not have to implement it as much as we

do with the bad ones.

Routine can be boring and uneventful, and at times inconvenient. However, it keeps our lives in an orderly manner and builds a strong foundation for the students to rely on. Dorm life can prove that. At first, it wasn't easy to get used to, but as time went on, we started to realize that we do need a set time for everything in our lives.

The support from our prefects — Mr. Gex, Mr. Cuevas, and Mr. Booth — has had a profound effect on our lives. They have set the example for everything that is expected from each student in the

dorm. The prefects have helped us set our goals and to accomplish them.

(Patricio) This year in Dorm E was a very good experience for me. I learned a lot from the people and prefects of Dorm E and I am eagerly looking forward to next year.

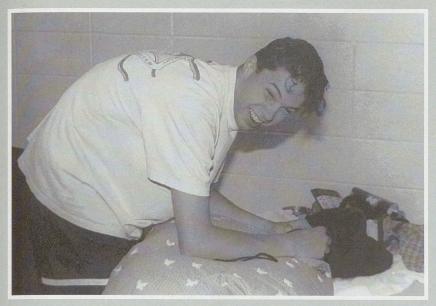

(Siggy) I just want to say thanks to Mr. Gex, Mr. Cuevas, and Mr. Booth for an enjoyable year. For the years I've been at SSC, Mr. Gex has played an important part in my life. Mr. Cuevas has not been here as long, but he has helped me see things differently. Thank you.

Dorm Life by John Ourso

Over the two years or so of being a boarder, I've found not only my family at home but my "family" in the dorm to be helpful and there for me in times when I'm down and in time when everything is all right.

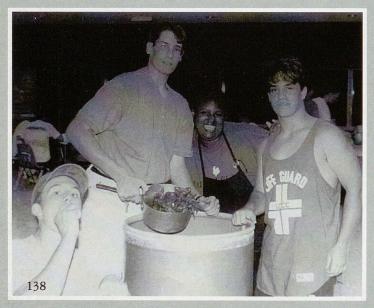

Living with a group of people has not only taught me the value of close friends, but of self-reliance, stability, and the "value" of a good laugh.

Never have I learned to love and cherish my family more (both the dormitory and home)! With each passing year, our class grows bigger with more newcomers and old friendships set aside, but not forgotten, from those who have left.

... Last night, as I walked on to the back of the school grounds, I looked around and saw a junior high student sitting on the marble benches.

He was crying for his mother and his home. He didn't want to stay at this place anymore.

I looked again, and he was the man that SSC had made him, but he was still sad. He didn't want to leave this home that he had made, and graduation wasn't so tempting anymore.

Then I walked to the front lawn and gazed out at the water in front of me. All at once my sadness left me. The knowledge of others that would come to take the graduate's place, and of those who had gone before him, was enough to comfort his sadness . . .
